CHICAGO NEIGHBORHOOD MAP

Southeast 3: Woodlawn/So Shore/Grand Cross

(from 59th south to 79th, from the lake west to State)

This is from the CHICAGO BIKE MAP—a great map for real estate shopping since it show all the “L” and Metra TRAIN STOPS and neighborhood names (as well, of course, as all the good bike routes). To see the whole map online or to order a print copy go to <http://www.cityofchicago.org/Transportation/bikemap>.
